**The Superior California Chapter of the
Association of Environmental Professionals Presents:**

Water Quality Permitting and Enforcement

Thursday, June 21, 2007 at 11:30am at The Ridge Golf Club

Presenter: Scott Ferguson - Lahontan Regional Water Quality Control Board

Please join the Association of Environmental Professionals for a presentation regarding Water Quality Permitting and Enforcement for projects located within the jurisdiction of the Lahontan Regional Water Quality Control Board (RWQCB). Our speaker is Mr. Scott Ferguson, who has been employed by the Lahontan RWQCB for 19 years. The focus of Scott's work has been permitting, inspection, and enforcement throughout the northern portion of the RWQCB's jurisdiction from Mono Lake to the Oregon border. Scott is currently the supervisor of the Enforcement and Special Projects Unit, which handles the Regional Board's more formal and complex enforcement cases for the entire region.

The luncheon seminar will be held at the Ridge Golf Club, located at 2020 Golf Course Road in Auburn. Please **RSVP by June 15, 2007** to Janet Dallas at Janet.Dallas@edaw.com or 916-414-5877. Cost is \$25 for AEP members and \$30 for non-members. Payment will be accepted at the door. Please make checks payable to AEP. Lunch options will be provided as the event approaches.
